Dear Sack Hunger Food Drive Coordinator:

THANK YOU for helping end hunger in Northeast Pennsylvania! Please find the following materials in this tool kit:

(Tool Kit is online: www.ceopeoplehelpingpeople.org/SackHunger)

1. Your instructions, along with resources and contact information for the Food Bank staff. It's simple - I promise!!
2. Editable template / sample flyers or bulletin inserts you can use to promote the food drive with your group or congregation.
3. Sample info sheet that goes in each bag so that participants understand where the food will go. (Copies will be provided with the bags- if you need more, just let us know)
4. Reporting form to be used only if you decide to collect food for a local food pantry rather than for the Regional Food Bank.

Thanks again for your help! The Food Bank helps over 8,000 families with food each week, so every donated can or box of food matters!

Sincerely,

Colleen Garrison
Marketing & Communications Manager
