Subject: FY2023 CoC Renewal Projects

Good Morning!

A follow up to the submission of your 2023 CoC renewal application submission in esnaps. Please note the renewal applications were accepted during the 8/1/23, 8/15/23 and 8/22/23 CoC Board calls. Also there are no new projects, no reallocated projects and no reduced projects in the FY2023 CoC process for PA-503.

During the CoC Board meeting, renewal applicants were informed that their initial esnaps PDF renewal applications were reviewed. All projects were scored and ranked by the Project Review Committee.

Each applicant can now make sure there is a Code of Conduct attached to your esnaps applicant profile; complete the esnaps certifications for each renewal project and submit in esnaps. Please make sure to save a PDF version of your application and send a copy to both Jennifer Yaworski and Barbara Gomb by close of business on Friday, 8/25/23.

Thank you, Barbara
